IRMO COMMUNITY PARK IMPROVEMENTS ITEMIZED BID SHEET

Please itemize your bid for each project for which your firm is bidding:

Sealing, Striping, and Flatwork	
	1. All sidewalks, roads, and concrete trails to be sealed
	2. All paved parking areas to be restriped
	3. Place removable bollards at the end of the parking space where the wheel stop has been removed. These bollards should match the existing bollards at the other end of the trail.
	4. Repair sidewalk cut near Magnolia Picnic Shelter
	5. Asphalt the gravel trail near the Magnolia Shelter restroom and around the playground
	6. Widen pavement to 12' from the amphitheater to the road. This area should be completely replaced with new subbase.
	7. The sidewalk at the top of the stairs near the amphitheater bathroom to be repaired
	8. Repair sidewalk between the sidewalk and the back side of the playground
Carpentry	
	9. Repair/refinish Information Kiosks
	10. Repair/replace the bridges
	11. Repair/replace ramp and rail at the Children's Playhouse
Painting	
	12. Restain Shelters and Amphitheater, as well as pergola at rear bathroom
	13. Repaint the wood on the two bathrooms. The stucco WILL NOT be repainted
	14. Epoxy coat the floors of the restroom near the Magnolia Shelter
Earthwork	
	15. Install drain boxes near the playground and pipe to the rocks where existing pipes drain. Build a rock flume to then carry this water to the pond.
